Principal's Message
Dear Parents,

This week is National Reconciliation Week. National Reconciliation Week is about building better relationships between the wider Australian community and Aboriginal & Torres Strait Islander peoples, for the benefit of all Australians. Every year the week is held from 27th May until 3rd June. To celebrate Reconciliation Week all students will play an indigenous game for sport on Friday.

SRPSSA Cross Country

Pickles For Sale
We have green tomato pickles available for purchase from the school office at $5.00 per jar. The pickles were made with tomatoes grown in our school garden.

School Rep Shirts
Could families please check that they have returned their yellow Rep shirts. Unfortunately we are missing a number of shirts following recent sporting events. If you have one, please ensure it is washed and returned as soon as possible.

Assembly
There will be a school assembly tomorrow—Friday 30th May—at 2.40pm. We hope you can join us.

Trespassing
Due to people trespassing on school grounds, it has become necessary to close and lock the gates leading onto the school oval. People driving onto the school ground without permission can also be a WHS issue. We apologise if this inconveniences any of our families.

Cooking
Students will be making Impossible Quiche and salad tomorrow with Angie. Please remember your $2.00 payment.

GRIP Leadership Conference

On Wednesday 28th May Mitchell and I went to Albury for a GRIP Leadership Conference. The first activity we did was a game called very loud noises and it is where you have to scream when Andy or Mason said to. Then they told us a bit about being a good leader and not just in school, outside as well.

After that we had recess. When we came back in we answered some questions in a little book that was on the chair we were sitting on and beside the book was a pen. We had to answer questions like how could you help someone.

We then played some activities, then we went out for lunch. During lunch they put some music on. When we came back in we played charades. Then we all had to dance and we danced to Red Foo and the song was Let’s Get Ridiculous.

The main things I learnt about to be a good leader is to help others, do the right thing and how to do good things in your school.

Stevie.
