Transport for Excursions
From time to time, parental assistance with transport is required to take students on excursions. Please refer to the attached Parent Driver Declaration form for more information. If you think you are able to assist with transport at some time during the year please complete and return the forms to the office.

Attendance at School
If at any time your child is not able to attend school please inform the school as soon as possible by phone or in writing such as a note, email or SMS text message. All absences must be clearly explained. Please be aware that the Department of Education and Communities provide rules relating to what is considered to be a justifiable absence. To assist families, an absentee note booklet is included with this newsletter – please complete the note, tear it out of the booklet and return it to school when your child next attends.

Friday Cooking
Thank you to those families who have returned the note indicating their ability to assist with cooking on Fridays. A roster will be formulated and cooking will commence on Friday 13 February.

Please return any Book Club orders to school by Monday. Please remember – this is a service provided by the school and families should not feel obligated to make a purchase. If you do choose to place an order, the school receives reward dollars to ‘spend’ on books for our library and classroom.

Medical Information
The beginning of the year is always a busy time for the school office in ensuring that the contact and medical information for each student is up to date. If you have not already completed a form this year, please fill in the attached medical form and return to the office as soon as possible.
