Booster Seats
Booster seats are required by law for students aged 7 years or younger when travelling in a car. The P&C is purchasing a number of booster seats to have at school. Extras will still be needed.
   If you have a spare booster seat that you would be willing to donate or lend to the school, please send with your child or drop off at the office.

Attendance at School
If your child arrives late to school or needs to leave early at any time a written note is required to explain their absence. Partial absence notes are available at the office for parents to complete when dropping off or picking up your child.

The students will be divided into 4 groups – with a different group assisting with cooking each week on a rotational basis. The students will make a light meal for the rest of the class under the direction of a parent volunteer.
Cooking will occur between lunch and recess, with the food being served at recess (1.20pm break).
Students are asked to bring $2 each to help cover the cost of food.
Students will still need to bring something to eat at lunch (11am break) and ensure they have their water bottles and fruit.

Medical Information

Please return the medical information form to the office as soon as possible so that school records can be updated. If you are sure there are no changes to previous forms please still return the form with ‘No Changes’ marked on it.

Emergency Drills

Schools are required to conduct regular drills so that students are aware of what to do in the event of an emergency. A variety of drills are carried out at different times to cover different situations.
Today the first drill for 2015 was held. The students and staff evacuated the buildings safely and walked calmly to the cricket pitch – our main evacuation point.
It is also a good idea for families to discuss and even practise, evacuation drills at home, having a designated meeting place.

Athlete’s Foot

The Athlete’s Foot in Albury is running a School Rewards Program. For each pair of shoes purchased, Athlete’s Foot will donate $5 to your nominated school. The program runs throughout the year.
